**Jat Sabha Passed Resolution Against Raj Kumar, Saini, MP on Jat Reservation.**

11<sup>th</sup> May, The Executive Committee of Jat Sabha Chandigarh/Panchkula in its meeting held on 10<sup>th</sup> May, 2015 under the Chairmanship of its President Dr. M. S. Malik, IPS (Rtd.) has unanimously condemned and criticized Sh. Raj Kumar Saini, MP for his continued hateful and indifferent remarks over OBC Jat Reservation and decided to boycott his all public meetings and field visits. The Committee observed that Sh. Raj Kumar Saini is spreading communal hatred and caste-ism among the people by his irresponsible and politically motivated statements about Jats which are prejudicial to the maintenance of national integrity, internal peace, fraternity and brotherhood.

Dr. Malik explained that people of Jat Community have always been helpful and cooperative to all 65 castes enlisted in OBC quota and have always extended all possible help to other communities for achieving their basic rights. It is unfortunate that a Member of Parliament where more than three lack fifty thousand Jats exist in his Constituency, is making malicious propaganda due to his vested interests from the very beginning of cancellation of OBC Jat reservation against bravest of the brave Community who always paid highest sacrifices for the sake of security and integrity of the Motherland. It is a crucial time for this brave Community and the entire Jat Samaj is already feeling cheated and humiliated from the cancellation of hardly achieved OBC reservation. Job reservation is moral right of Jats and we are not demanding reservation as a gift from the government. Actually OBC reservation under 27% quota is a Kisan Quota and is exclusively meant for all agriculture based castes like Gujjars, Saini, Ahirs, Bisnoi, Kamboj etc. and Jats have always demanded this quota for the welfare of all such like minded agriculture based castes. Jat Samaj has already become socially, educationally and economically backward due to continuous erosion of their land holdings. The entire Jat Society is totally dependent on agriculture which has become a losing profession due to heavy losses on account of continuous natural calamities and non receipt of adequate prices of their farm produce and

it is becoming almost impossible for the people of this community to feed on agriculture alone.

Above all, denial of reservation to Jats under OBC quota is also a hostile discrimination to this Community as it amounts to violation of Article 14 & 16 of the constitution wherein the Jats already stand declared OBC in one State, Rajasthan. Hence such situation do not exist for any other caste/community whereupon they are graded as OBC in one shape and the same community is graded as forward community in other parts of the Nation. zHe further stated that except all other castes in OBC reservation quota Jats are already governed by creamy layer policy, hence most of the population of this caste is economically backward and is almost in a staving situation.

Dr. Malik further stated that the Committee unanimously resolved to extend all possible help to all Jat Aarkashan Sanghrash Samities and Khap Panchayats struggling for seeking OBC reservation. The Committee also called upon all Political Parties, Social Institution to render all help and cooperation to Sanghrash Samities in achieving prestigious OBC reservation. The Committee specially thanked the Government of India for filling a review petition in the Hon'ble Supreme Court to restore OBC reservation for Jats and appealed that the Centre Government should pursue this important issue with all required information through legal experts. The committee members unanimously decided to make a complaint to the Prime Minister of India and BJP High Command against Sh. Raj Kumar Saini, MP and for taking necessary disciplinary action against him for his communal and caste based statements over OBC Jat Reservation and if need be a defamation case may be filled against Sh. Saini in a competent court of Law.
